Dear Bill

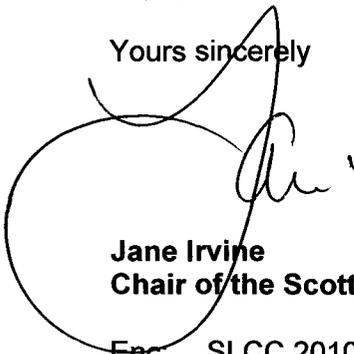

**Scottish Legal Complaints Commission Budget and Levy 2010/11**

Further to my letter of 19 January 2010 and subsequent correspondence in relation to the SLCC's 2010/11 budget, please find enclosed the final budget and an invoice for the levy owing from your organisation.

As you can see from the enclosed document, the General Levy has been set at £78 for your members resulting in a total levy of £776 due from the Association. This is lower than the £91 originally set out in the proposed budget. That is because since consultation began, the SLCC has made efficiency savings and concluded action in a number of key business areas that have resulted in us being able to make more funds available to underwrite the General Levy. There is more information on this in the budget document.

The SLCC looks forward to receiving the Association's payment. In the meantime, if you have any questions about the budget, please contact me or Rosemary Agnew (Acting CEO).

Yours sincerely
